Please visit our website – [www.wolvertonpool.com](http://www.wolvertonpool.com) - to view our COVID-19 control measures. The information provided below may be used if required for NHS Track & Trace. Complete IN CAPITALS and send to: [lessons@wolvertonpool.com](mailto:lessons@wolvertonpool.com) or drop in to centre. We advise registering and testing login prior to booking to avoid disappointment. To access you will need the email address you have provided below and the swimmer's surname.

### SWIMMER DETAILS:

Name: .....

Date of Birth: .....

Medical Conditions (e.g. asthma): .....

Brief description of swimming ability: .....

Enter the required class level below. There may not be room for movement if an incorrect level is selected. Only one class level can be allocated e.g. Beginners 2. For help see our class descriptions available on our website or email: [lessons@wolvertonpool.com](mailto:lessons@wolvertonpool.com).

Class Level: .....

### PARENT DETAILS:

Name: .....

Contact Number: .....

Email: .....

### BOOKING INFORMATION:

Our online booking system will identify which classes have spaces and allow you to book, pay and move around once paid. If a place is not visible then there are no spaces remaining in that class. You will need to use the same email and swimmer surname that we have on our records in order to access. Submit Registration Form to: [lessons@wolvertonpool.com](mailto:lessons@wolvertonpool.com). Allow up to 24 hours for your details to be updated. Use the lesson booking tab on our website: [www.wolvertonpool.com](http://www.wolvertonpool.com) to register and test your log in.

Payment must be received at time of booking, we are not able to hold places and do not have waiting lists. Class details can be accessed through your online accounts and your email receipt. Please take note of this information as there will not be room for movement once the term has begun. Places are limited so new swimmer intake is not guaranteed. Booking onto our 6-week May 2021 Covid-Restricted Term does not guarantee enrolment onto future terms. If a credit is owed this will be applied automatically.
