Bookings close 2000 Friday May 07

Information for January-March 2020 Swimmers

This is (another) additional term added to our system to provide a level of swimming lessons whilst maintaining our current covid-secure measures in place. Similar to a holiday crash course it does not affect places in our 'standard term' which we will recommence as soon as restrictions allow. After a successful covid-secure September term we have been able to add more classes to the programme. From 19 April, access your online account to view what level your child is at and contact us on lessons@wolvertonpool.com if this level has changed during the closure period. Any credits owed will automatically be applied to your next lesson payment.

Swimmers do not need to complete a registration form. From April 19th visit www.wolvertonpool.com to access booking. Register online or, if previously registered, log in. Enter the swimmers surname only and the email address provided to us on original booking. Places are first come first served.

Information for September-December 2020 Swimmers

Like the September-December 2020 term, this May-June 2021 short term under covid restrictions is an addition to our usual scheme of lessons. It is, therefore, an independent term. Booking does not guarantee enrolment onto future terms. From 19 April, access your online account to view what level your child is at and contact us on lessons@wolvertonpool.com if this level has changed during the closure period. Any credits owed will automatically be applied to your next lesson payment.

Swimmers do not need to complete a registration form. From April 19th visit www.wolvertonpool.com to access booking. Register online or, if previously registered, log in. Enter the swimmers surname only and the email address provided to us on original booking. Places are first come first served.

Information for New Swimmers*

From April 19th complete the registration form available from www.wolvertonpool.com and email to: lessons@wolvertonpool.com. Allow 24 hours for our system to be updated. Visit www.wolvertonpool.com to access booking. Register and log in. Enter the swimmers surname only and the email address provided to us on original booking. Places are first come first served. ***If submitted a registration form for our September 2020 term, but did not book, we DO NOT require a new form.**

Class Levels Available - timetable available: www.wolvertonpool.com

Parent & Baby – Learner Pool – Age up to 2
Parent & Toddler – Learner Pool – Age up to 3
Pre-school – Learner Pool – Age up to 4 – requires a parent to accompany in water
Beginner 1 – Learner Pool – Stage 1&2 – Age 4+
Beginner 2 – Main Pool Shallow – Stage 3
Improver 1 – Main Pool Centre- Stage 4
Improver 2 – Main Pool Deep – Stage 5
Advanced Hour - Lengths session - Stage 6 & 7
Adult Beginners/Improvers

Our Safety Measures

- Reduced class sizes * staggered start times – classes will run with staggered starts to encourage flow and limit grouping
- Gaps between classes – to allow for cleaning of equipment
- Pre-school classes require a parent to accompany in the water
- All teachers will be teaching from the side – no assistants will be in the water
- The showers will not be available & swimmers will be required to arrive 'swim ready'
- Spectators are limited to one per swimmer & one way system onto poolside
- There will be no assessment process at the end of this term and no badge week
